Even Now One-Third of Total Left to Become Delinquent.

**LONG LINES IN WAITING**

VARIOUS INCIDENTS TAKE PLACE DURING CRUSH.

**IS CHEAPER THAN ASPHALT**

PROMOTERS SECURE GOOD RATE FROM CALIFORNIA.

When the county treasurer's office closed last evening, \$906,274.87 of the taxes for 1905 had been paid, leaving for the delinquent list \$604,416.54, or a trifle more than one-third of the entire amount.

During the last three days before the beginning of the delinquency period \$6,732.31 was paid into the office. Monday contributed \$31,965.54, Tuesday, \$140,346.24, while yesterday's receipts amounted to the tremendous total of \$224,151.19.

A peculiar feature of yesterday was that while the receipts were almost double those of Tuesday, the "rush" was less pronounced. There were no moments yesterday when there was not a person at either of the receiving windows. This was true during the noon hour, but soon after the "rush" was renewed in earnest and continued until closing time. A double line extended from the office out into the corridor during most of the afternoon and many came after the closing hour to clamor in vain for admittance.

Oil for street paving instead of asphalt is the latest move of the Salt Lake Real Estate association. At the meeting of the association at the Commercial club at noon yesterday a resolution was adopted endorsing the use of oil on the streets of this city, and recommending to the city council that sections of streets be paved with oil. The resolution was adopted by a vote of 12 to 2. The oil is also suggested to the council that sections be put up along the streets paved with oil. The resolution was adopted by a vote of 12 to 2. The oil is also suggested to the council that sections be put up along the streets paved with oil. The resolution was adopted by a vote of 12 to 2.

**Coin Deposited Early.**

Enough work accumulated during office hours to keep Treasurer W. O. Carls and his office force working after hours. The coin and currency were taken to the post office before the closing, but checks remained to be sorted and listed afterward.

There will probably be a falling off in the rush today, although the office will be kept fairly busy from now until the first of next month, when the delinquent list will be published.

There were a number of interesting features yesterday, most of them being located about the information window. The two gentle youths who had charge of that department solemnly declared that they answered 5,383 questions yesterday, but checks remained to be sorted and listed afterward.

**What Oil Will Cost.**

It was stated by the advocates of the oil paving that asphalt is now costing the city \$1.50 per square yard. The oil is made to all the streets four inches deep for 20 cents a square yard and eight inches deep for 30 cents a square yard. Sidewalks and garden walks will be oil for 10 cents a square yard. Oiling eight inches deep is claimed to give as good a street as the best asphalt. This is the first time that there would be a slight cost for keeping the streets in repair, but even with this the oil streets are claimed to be far and away cheaper than asphalt paving.

**Old Man Attempts Theft.**

One of the amusing incidents was furnished by an old woman and an old man, who appeared to be strangers to each other. The old woman was paying her taxes at one window and had her money scattered all over the ledge. In the confusion the old man picked up the money and ran off. The old woman did not see the act, but when she saw the old man running off with her money, she called out to him. He ran off with the money and she called out to him. He ran off with the money and she called out to him.

**Want Pictures on Utah.**

The press committee, composed of E. P. Colburn, Glen Miller and W. E. Hubbard, called on the Salt Lake City and County Board of Education to have pictures of Utah in the schools. The committee said that they had been asked to have pictures of Utah in the schools. The committee said that they had been asked to have pictures of Utah in the schools.

**CHANGES ARE SLIGHT**

Canvass of Second Ward Election Returns Is Made by City Council.

Only slight changes were made in the returns from the second municipal ward, which was canvassed by the city council last night. As they become accustomed to the routine the members of the council are making much faster progress in the work. The sixteen districts were canvassed at the rate of one district in less than five minutes, and it is likely that the remaining districts, the Third and Fifth, will be canvassed by the council's meeting, ending the work. The council will meet as a board of canvassers at 7:30 o'clock this evening.

**Breathe Healing Balsams**

HYOMEL, THE GUARANTEED CATHARRH CURE, ENDORSED BY PHYSICIANS.

No one should confound Hyomel with the patent medicines that are advertised to cure catarrh. It is as superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomel gives its formula to all reputable physicians. It is well known for its antiseptic qualities. This is combined with aromatic and germ-killing powers. It is a sure cure for all catarrhs of the throat, nose and lungs.

**It Quiets the Cough**

This is one reason why Ayer's Cherry Pectoral is so valuable in consumption. It stops the wear and tear of useless coughing. But it does more—it controls the inflammation, quiets the fever, soothes the lungs. Ask your doctor about it, and you will be satisfied. We have no equal. It is the best. It is the best. It is the best.

Mrs. Laura Brooks, the alleged victim of a \$4,000 robbery, left Salt Lake City early this morning, and went to her home in Park City.
